Orysanol E

Product information

Liquid feed supplement to stimulate muscle growth

Orysanol E is the ideal solution for horses to support both optimal muscle growth and metabolism.

Orysanol E contains

- **Gamma-oryzanol (10 %)** as a naturally occurring sterol sourced from rice bran to enhance natural, healthy muscle formation
- **Vitamin E (115,000 mg/kg)** as an antioxidant to neutralise free radicals produced during exercise
- **L-carnitine (10,000 mg/kg)** as a naturally occurring amino acid for stamina support

When to use Orysanol E

- Horses in training
- Horses at time of peak activity
- Stallions during intensive covering periods
- Preparation for sales and license tests
- Recovery after injuries and illnesses

Feeding recommendation

Body Weight	Light Work	Hard Work
200 kg	10–15 ml/day	20–30 ml/day
400 kg	15–25 ml/day	30–40 ml/day
600 kg	20–30 ml/day	50–60 ml/day

Orysanol E – One product, many benefits

“We use Orysanol E very successfully to enhance muscle formation and increase vitality, in particular for sport horses. Moreover it is very suitable as a supplement for the training of young horses and in periods of convalescence and recovery. The high concentration of gama-oryzanol causes an optimized stimulation of musculature.”

(Official FEI-Vet. Augusto Fernandez, Warendorf, Germany)

Why Orysanol E

Power

- May promote a fast and effective increase in muscle strength
- Natural muscle building effect due to the high concentration of gamma-oryzanol

Stamina

- Stamina is the increased exercise capacity for high performance over a longer period of time

Vitality

- Helps to enhance overall body condition
- Supports muscle function and soothes muscle soreness

Composition:

Rice germ oil 75.0 %, sunflower oil

Ingredients:

Crude protein 0.1 %, crude fat 97.6 %, crude fibre 0.1 %, crude ash 0.1 %, sodium 0.0 %

Additives per kg:

Nutritional additives: Vitamin E (3a 700) 115,000 mg, L-carnitine (3a910) 10,000 mg

Orysanol E is rich in naturally contained linoleic acid (30.0 %) and gamma-oryzanol (10.0 %).
